The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Cabrillo College Learning Labs and Student Success Spaces in fiscal year 2023.

The entity to receive funding for this project is Cabrillo College, located at 6500 Soquel Drive, Aptos, CA 95003.

The funding would be used to improve learning spaces at the Aptos and Watsonville Cabrillo College campuses to promote student success and completion. Specifically, funds will be used for equipment for Cabrillo's Watsonville Science Center and furniture and equipment for its Aptos Multicultural Center. The project will improve math and STEM course completion among Latino students and first-generation college students at the Watsonville Science Center and improve overall course completion rates for diverse student populations supported by the college's renovated Multicultural Center in Aptos.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jimmy Panetta  
Member of Congress
