The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Cybersecurity and SCADA Resilience Project in fiscal year 2023.

The entity to receive funding for this project is Monterey One Water (M1W) located at 5 Harris Court, Building D, Monterey, California 93940.

The funding would be used to strengthen Monterey One Water's cyber defenses and upgrade critical assets to withstand challenges, including external digital threats. Specifically, the project will enhance cyber defenses and update key programmable logic controller (PLC) units that control the automated processes that keep wastewater flowing.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jimmy Panetta
Member of Congress
