As you will see, much has been done. Please know, however, that there is more work to do to serve the people of California's 20th Congressional District.

It is an absolute honor to represent our home in the United States Congress. As I work to bring people together to move forward on solutions that improve the quality of life for all Central Coast residents, I will never forget who I am fighting for: You.

I look forward to the year ahead and continuing to serve you.

Sincerely,
